

“INTRODUCTION TO PUBLIC RECORDS IN THE SUNSHINE STATE”

SEPTEMBER 27TH TAMPA, FLORIDA

“Introduction to Public Records in the Sunshine State,” a one hour lecture will be presented on September 27th by the Florida Statewide Transit Training & Technical Assistance Program. It will be offered as an in-classroom option as well as an online option.

This lecture will provide an accelerated introduction to Florida's open government laws and their application to the day-to-day workings on state government, and the important roles they have on public transit. An emphasis on new media and how Florida's Sunshine and Public Records laws apply to digital communication such as social media sites, texting, and other communication devices.

CHECK ONE: I will be attending the lecture **in person** **online**
